

**Seacoast Commerce Bank Finances \$2,000,000 SBA 7(a)
Commercial Construction Loan for Expanding Valley Business**

SACRAMENTO, Calif. – August 24, 2010 – Seacoast Commerce Bank (OTCBB: SCCB) today announced that it funded a \$2,000,000 SBA 7(a) loan for the construction of a commercial building, with ground breaking ceremonies scheduled for 10:00 AM on September 2, 2010, at the new building site located at 1864 Ackley Court, Oakdale, California. The loan was funded by Seacoast Commerce Bank with a guarantee by the United States Small Business Administration (SBA) under the SBA 7(a) loan program.

Scheduled to attend groundbreaking ceremonies will be the owners of Mid Valley Foods Inc., representatives from the United States SBA office in Sacramento, State of California, County and City Officials, Seacoast Commerce Bank representatives, Stanislaus Economic Development & Workforce Alliance, Alliance Small Business Development Center, as well as the construction team from DeGraff Development.

The finished building will house the wholesale meat distributor, Mid Valley Foods Inc., currently located in Riverbank, California. Mid Valley Foods Inc., (MVF) has outgrown its current facility and to meet the demands of its many valley customers plans to increase staff from its current 18 employees to a projected 30 employees.

Once completed in the scheduled six (6) months of construction, the building will be 24,000 square feet with a total project cost of \$2,829,000. The state of the art facility will have cold storage, warehouse, and office space to serve the needs of Mid Valley Foods Inc. and its many customers who receive weekly and daily deliveries throughout Northern and Central California.

“Two years ago, a ground breaking for a 24,000 square foot building would have been considered a routine event,” said David Bartram, EVP and Manager of Seacoast Commerce Bank’s SBA division. “Today, this project announcement is significant in that so few businesses are expanding, and it represents the direct connection between SBA financing and job growth.”

Cheri Casey, co-owner and Vice President of Mid Valley Foods says, “We are bulging at the seams in our current building and expansion was a necessity; this will make us so much more efficient and allow us to add many more employees.” Casey added, “We were told by many lenders that they were either unwilling or unable to lend to us at this time for our construction project; Seacoast Commerce Bank and the SBA are allowing us to expand when we need to, which is now!”
